

Double acting cylinder with long industrial rod-ends

Technical information:

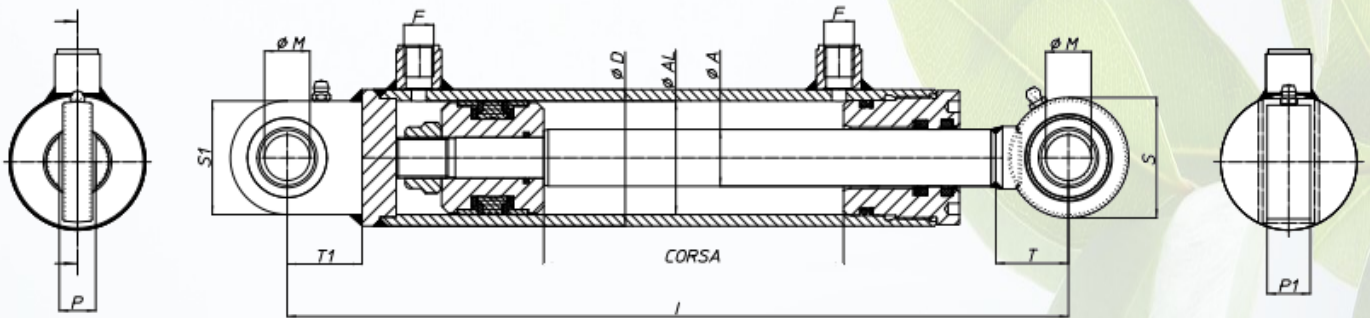

All our cylinders are manufactured in EU.

Stroke: up to 1.000 millimetres. **Bore:** up to 100 millimetres. **Pressure:** up to 250 Bar.

Material information:

Tube: Steel - ST 52.3 DIN 2393 ISO H9

Rod: Steel - UNI C45 SAE 1045 - CROMO 25 Micron $\pm$ 5
